PERFORMANCE FISHING BOATS

2017 MODEL YEAR
NITRO.COM

CHAMPIONS AREN'T BORN.
THEY'RE MADE.

2016 BASSMASTER CLASSIC® CHAMPION

"The reliability of my NITRO was key in helping me make that crucial run to the Elk River in my 2016 Classic win."

EDWIN EVERS

NITRO® Elite Pro
2016 Bassmaster Classic® Champion

2016 ST. JOHNS RIVER, FL ELITE CHAMPION

"I've helped NITRO develop boats for over 20 years, and we've designed them to allow anyone to become a champion."

RICK CLUNN

NITRO® Elite Pro
4-time Bassmaster Classic® Champion

2016 LA CROSSE, WI ELITE CHAMPION

"NITRO boats have had my back for almost a decade now—and they're a critical part of my success."

OTT DEFOE

NITRO® Elite Pro
6-time Bassmaster Classic® Qualifier

"NITRO boats have been my most important companion on the water for over 25 years. The reliability, fishability and performance of these high-performance fishing machines give me the advantage to make that one extra cast before the run back to the weigh-in and that one extra pound in the livewell that bumps me to the top of the leaderboard. I wouldn't be where I am today if it weren't for these incredible boats."

Over \$6 Million in Career Earnings

Fishing for a living. It's a dream many of us aspire to—but in one of the most exciting and unpredictable sports in the world, only the best of the best become real contenders. And that's why top anglers, like Kevin VanDam, Edwin Evers, Rick Clunn and Ott DeFoe choose NITRO. 2016 was our best Bassmaster season yet, with championships in 6 of 12 tournaments. Every NITRO is a pure fishing machine designed to help you climb that long ladder to tournament glory with outstanding performance, fishability and reliability.

NITRO
PERFORMANCE FISHING BOATS®

YOUR HEADQUARTERS FOR
EVERYTHING
OUTDOORS

BASS PRO SHOPS. YOUR ADVENTURE STARTS HERE.

As part of the Bass Pro Shops® family, NITRO® boats are backed by a leader in the outdoor industry. With 80 Bass Pro Shops and over 200 NITRO dealers worldwide, the strength of our company means that we'll be here to serve you for a very long time.

Anyone that's visited one of our Bass Pro Shops Outdoor World stores knows that these destinations are one-of-a-kind retail experiences filled with the finest outdoor gear—a trip you and your family will never forget whether you're browsing boats, perusing premium fishing gear, or dining at one of our unique restaurants.

Buying a NITRO is easy and rewarding. We offer each boat at a nationally advertised, NO HAGGLE NO HASSLE® price. We also

offer in-house financing to make your boat purchase fast and easy, and our award-winning customer service culture makes any visit a pleasure. Our sales people do not work on commission, meaning pressure-free shopping as you choose your new boat.

And as both the #1 recreational boat builder and the #1 Mercury® dealer in the world, we're able to offer unparalleled access to service for your boat and outboard.

All this, combined with the legacy and stability of Bass Pro Shops, means that the experience of buying and owning a NITRO boat is simply second to none.

3 CONVENIENT WAYS TO SHOP

IN PERSON

With 80 Bass Pro Shops and over 200 NITRO dealers worldwide, there's a location nearby where you can see a NITRO and have your questions answered by an expert.

BY PHONE

Call us at 855.630.2711 to speak to one of our knowledgeable representatives.

ONLINE

Visit the newly redesigned NITRO.COM to browse our complete lineup, watch videos, compare features and pricing and locate the dealer nearest you. You can even customize, price and order your boat, all from the comfort of your home.

VIP DISCOUNT CARD

Buying a NITRO is easy and rewarding. We offer each boat at a nationally advertised, NO HAGGLE NO HASSLE® price. And with the purchase of any new NITRO, you'll

receive a VIP owner's discount card, valid for up to two years. This card gives you 20% off leading Bass Pro Shops brands like Johnny Morris® Signature Series rods and reels, RedHead® clothing, ASCEND® kayaks, XPS® lures and more.

BY MAKING NO COMPROMISES AND TAKING NO SHORTCUTS, WE BUILD THE BEST POSSIBLE BOAT AT THE BEST POSSIBLE VALUE."

JOHNNY MORRIS,
FOUNDER, BASS PRO SHOPS

THE PINNACLE OF ENGINEERING AND CONSTRUCTION

QUALITY

From the hand-laid fiberglass hulls, to Mercury® factory rigging, to the smartly laid out tackle and rod storage, we've attended to every detail on every NITRO® boat to give you the assurance that nothing electronic or mechanical will get in the way of fishing.

From a structural standpoint, the NITRO lineup is second to none, thanks to the unparalleled skill of our master craftspeople. Inside the hull, you'll find a one-piece, gelcoated fiberglass stringer system that's double bonded to the hull to create a super-strong, unitized structure. The stringer also forms the interior of the

storage/rigging compartments, and the gelcoat finish makes them durable and easy to clean.

Factory rigging gives you the best setup every time. Mercury-trained technicians rig all our boats at our factory. This means your boat is rigged to exact specifications that focus on quality, consistency and efficiency. We're able to pass along cost savings to you while delivering a boat that requires significantly less dealer preparation. This lowers your dealer's costs while also freeing up technicians to respond to your service and maintenance needs.

I DRIVE MY NITRO AS AGGRESSIVELY AS I FISH, AND I'VE PUT SEVERAL MODELS THROUGH THEIR PACES IN SOME OF THE HARSHTEST CONDITIONS MOTHER NATURE OFFERS. THEY ALWAYS EXCEED MY EXPECTATIONS IN DURABILITY AND PERFORMANCE."

KEVIN VANDAM
4-TIME BASSMASTER CLASSIC® CHAMPION

LOOK INSIDE A NITRO

1 GELCOATED STRINGER SYSTEM

A 1-piece system is double bonded to the hull to produce a unitized structure for strength and durability.

2 TRANSOM SUPPORTS

Transom knee supports (part of the stringer system) provide maximum support for the transom.

3 UNITIZED STRUCTURE

Deck and hull are chemically bonded 360° and mechanically fastened with stainless steel fasteners every 6".

4 FOAM-FILLED STRINGER

The stringer system and other cavities in the hull are foam-filled for superior safety and level flotation if swamped.

5 MAXIMIZED FUEL CAPACITY

Fuel tank is strategically placed for maximum capacity and better stability and tracking.

6 CONTOURED BALSА DECKING

The best strength-to-weight ratio, encapsulated in fiberglass for a lifetime of durability.

OUR CUSTOMERS HAVE SPOKEN

For four consecutive years, NITRO® fiberglass outboard boats have been recognized for excellence in customer satisfaction by the National Marine Manufacturers Association® (NMMA®).

This means that hundreds of feedback surveys returned by actual purchasers of NITRO fiberglass fishing boats reported average satisfaction ratings above 90 points on a scale of 100. With a NITRO, you get a steadfast dedication to quality that you can see in the fit and finish, feel in the smooth ride, and count on for a lifetime. Thanks to the skill and experience of our master fiberglass craftspeople, care is taken at every step in the process to ensure the finest, longest-lasting boat at the best price.

The CSI award from NMMA is a tribute to our skilled and dedicated boat makers and to the thousands of people in our company and dealer network who provide support to our customers. By working hard and working smart, they are delivering the promise of quality and value that has placed NITRO solidly among the leaders in performance fishing boats.

**RECOGNIZED FOR
EXCELLENCE
IN CUSTOMER SATISFACTION
FOUR YEARS IN A ROW**

OPTIMIZED FOR MAXIMUM COMFORT AND **FISHABILITY**

COMFORT

Padded, anti-fatigue bow decks (Z20, Z21), NASCAR®-inspired bucket seating, recessed trolling-motor pedals, heavily-insulated coolers with trash receptacles, and optional removable port console keep you and your fishing partner comfortable on long, fast-paced tournament days.

FISHABILITY

Every NITRO® is designed with an interior built with one thing in mind—catching fish efficiently. Enormous front decks allow maximum mobility when battling unruly bass, and the low-profile gunnels mean less interference when flipping, pitching or landing a fish. In-deck storage holds more rods and gear than you'll ever need, and NITRO-exclusive Guardian™ livewells keep your catch healthy all the way to the weigh-in.

EXPLORE THE INTERIOR OF THE NITRO Z21

From decks to seating to storage to livewells, we've designed each NITRO performance fishing boat to help optimize your productivity on the water. Here's a detailed breakdown of the features of our flagship boat, the Z21.

- 1 MINN KOTA® MAXXUM® TROLLING MOTOR**
24V, 80-lb. thrust, 42" shaft trolling motor
- 2 BOW COMMAND CENTER**
w/trim, fan & navigation light switches, room for optional 12" flush-mount fishfinder & tool/drink holder
- 3 RECESSED FOOT PEDAL**
for easy & comfortable trolling
- 4 DUAL-POSITION BICYCLE SEAT**
w/hydraulic pedestal
- 5 NAV LIGHTS INTEGRATED INTO LOW-PROFILE GUNNELS**
create more interior casting space & less hassle w/nav light poles
- 6 ANTI-FATIGUE BOW DECK PADDING**
for all-day fishing comfort
- 7 ROD HOLD-DOWN STRAPS**
keep rods handy & secure
- 8 4 PULL-UP MOORING CLEATS**
to reduce possible snags
- 9 LOCKABLE DUAL ROD STORAGE**
w/lid assists & port organizer to neatly hold rods & gear up to 8' (2.44 m)
- 10 LOCKABLE CENTER STORAGE**
oversized, w/Tackle Management System, magnetic lure holders & ventilation fan to keep all bow storage compartments dry
- 11 LOCKABLE DUAL GEAR STORAGE BOXES**
w/automatic lights
- 12 TOOL & DRINK HOLDERS**
on both sides of step-up cooler
- 13 STEP-UP BOW DECK COOLER**
heavily insulated w/trash receptacle & snap-in sandwich tray
- 14 INNOVATIVE CONSOLE**
w/flush-mounted Lowrance® Elite-7 Ti fishfinder, room for an optional 12" flush-mount fishfinder, illuminated gauges, digital keypad, tilt hydraulic steering & cell phone holder beneath
- 15 OPTIONAL REMOVABLE PORT CONSOLE**
w/hardware, tinted windscreen & glovebox
- 16 LARGE PULL-OUT STORAGE DRAWER**
beneath port console
- 17 GRAB HANDLES** engineered composite handles provide peace of mind
- 18 DELUXE 3-ACROSS SEATING**
w/adjustable helm & passenger bucket seats & removable center cushion
- 19 BEHIND SEAT NET STOW**
easy access to net stored in an unobtrusive location
- 20 INTEGRATED TOURNAMENT RULER**
located right next to livewell for faster culling
- 21 MOLDED, DROP-IN STORAGE**
w/lock & tackle tray holders, shown w/optional livewell cooler starboard side
- 22 DELUXE FOLD-DOWN FISHING SEAT**
w/composite frame & hydraulic pedestal
- 23 TWO 19-GAL. (71.92 L) GUARDIAN™ LIVEWELLS**
w/anti-slosh lip, freshwater fill pump, recirculator pump, timers, oxygen generation system & pump-out
- 24 BATTERY STORAGE AREA**
w/drop-in trays for gear/tools
- 25 AUTOMATIC BILGE PUMP**
to quickly & efficiently remove bilge water
- 26 HAND-LAID PERFORMANCE HULL**
for maximum durability & a smooth, dry ride in rough conditions
- 27 ANGLED, FOLDING BOARDING LADDER**
accommodates Power-Pole™ or Talon™ mounting
- 28 REMOTE OIL FILL**
maximizes convenience (OptiMax® only)
- 29 RAPID PLANING SYSTEM™ TRANSOM**
provides superior planing w/little or no bow rise & extreme shallow-water performance
- 30 RIGGING TUBE**
for clean & neat cable routing
- 31 ADJUSTABLE JACK PLATE**
so you can change the height of the motor for maximum performance w/varying loads
- 32 BATTERY ON/OFF SWITCH**
w/emergency jump start

**MILLIONS
IN POTENTIAL
REWARDS!**

GET PAID TO FISH

It's everyone's dream, and the **Bass Pro Shops®** **Tournament Rewards®** program makes it real. Win or hit the top ten in a **NITRO®** at an approved tournament and get cash!

DURING THE 2006 TO 2016 SEASONS, MORE THAN 1,700 PAYMENTS WERE MADE TO MORE THAN 470 ANGLERS—OVER \$1.9 MILLION IN TOTAL PAYOUTS.

The Bass Pro Shops Tournament Rewards program can help you enhance your tournament winnings! Through participation in this industry-leading program, you can receive up to \$7,000 in extra cash and Bass Pro Shops Rewards Points when you compete and win eligible tournaments from your NITRO boat.

FOR MORE INFORMATION AND A COMPLETE LIST OF ELIGIBLE TOURNAMENTS,
GO TO TOURNAMENT-REWARDS.COM

CHAMPIONS AREN'T BORN. **THEY'RE MADE.**

BREAKDOWN OF WINNINGS:

UP TO \$7,000 [\$6,500 CASH + \$500 BASS PRO SHOPS® REWARD POINTS]

For winning a Bassmaster® Elite Series, Bass Pro Shops Bassmaster Open, FLW Tour®, or FLW Costa Series event from your NITRO®, TRACKER® or MAKO® boat powered by a 250HP or larger Mercury® outboard. Win \$5,000 (\$4,500, \$500 BPS reward points) with a victory in other program-eligible events listed in the Tournaments section of TOURNAMENT-REWARDS.COM.

UP TO \$5,000 [\$4,500 CASH + \$500 BASS PRO SHOPS REWARD POINTS]

For winning a Bassmaster Elite Series, Bass Pro Shops Bassmaster Open, FLW Tour, or FLW Costa Series event from your NITRO, TRACKER or MAKO boat powered by a 225HP or larger Mercury outboard. Win \$3,000 (\$2,500, \$500 BPS reward points) with a victory in other program-eligible events listed in the Tournaments section of TOURNAMENT-REWARDS.COM.

UP TO \$3,000 [\$2,500 CASH + \$500 BASS PRO SHOPS REWARD POINTS]

For winning from your NITRO, TRACKER or MAKO boat powered by a 200HP Mercury outboard in any program-eligible event.

\$1,000 [\$750 CASH + \$250 BASS PRO SHOPS REWARD POINTS]

For winning from your NITRO, TRACKER or MAKO boat powered by a 60–175HP Mercury outboard in any program-eligible event.

\$500 [\$400 CASH + \$100 BASS PRO SHOPS REWARD POINTS]

For winning any program-eligible event with a 20–59 boat field from your NITRO, TRACKER or MAKO boat powered by a 60HP or larger Mercury outboard.

\$500

For being the highest top ten finisher in a minimum 60 boat field from your NITRO, TRACKER or MAKO boat powered by a 60HP or larger Mercury outboard in any program-eligible event.

Registration must be completed and submitted prior to participation in a qualifying event in order to be eligible for prizes. Program term begins January 1, 2017, and ends December 31, 2017.

THE CHAMPIONSHIP BASS BOAT LINEUP

NITRO Z SERIES

HULL DESIGN REDEFINED

Throughout its history, NITRO® has been known for smooth-riding boats that run dry and stable in rough water—and that fish with the best of them. Now, new design technology is raising the bar, retaining NITRO strength and adding speed, agility and even quicker holeshots. The NITRO Vortex Technology™ (NVT™) hull is a revolutionary design that uses a series of parabolic curves instead of traditional strakes. The result is a hull with exceptional top-end speed and lift—plus improved acceleration—all while maintaining superior control and handling. The organic shape of the NVT hull also enhances consistency in the manufacturing process and provides exceptional strength-to-weight ratio. Available exclusively on the Z17, Z18, Z19 and Z20.

CHAMPIONS AREN'T BORN. **THEY'RE MADE.**

Z17

AVAILABLE EARLY 2017

The all-new Z17 is a compact and highly fishable fiberglass bass boat with many of the features of its bigger brothers, including the NVT™ hull with Rapid Planing System™, a Guardian™ livewell, and large rod and tackle storage boxes throughout. See page 90 for details.

NITRO-EXCLUSIVE RAPID PLANING SYSTEM (RPS) TRANSOM

The Z17, Z18, Z19, Z20, Z21 and ZV21 all feature our exclusive Rapid Planing System™ (RPS) transom. The notch in the center of the transom releases trapped air on takeoff, and the set-back design of the transom delivers maximum water flow to the propeller. The result is a faster holeshot, enhanced performance at the top end and increased overall efficiency.

RPS
RAPID PLANING SYSTEM

A professional bass fisherman, Kevin Vandam, is shown from the chest up, wearing a red and black fishing vest with various sponsor logos including NITRO, TOYOTA, and MERCURY. He is wearing a red cap and sunglasses, and is holding a fishing rod. The background is a blurred natural setting with green foliage. The overall image has a dynamic, slightly blurred feel, suggesting movement and action.

"The tide really turned in my favor in 2016, and my trusty NITRO Z21 was there for me every step of the way. It's fast, easy to drive, reliable and the fishability is second to none."

CUSTOM-MATCHED TRAILERS

UNMATCHED QUALITY OF CONSTRUCTION

Every NITRO trailer is built from heavy-duty steel tubing protected with our exclusive new GALVASHIELD® Impact corrosion and chip protection—a thick, baked on powder coat finish that shields your trailer from the road and the water. This results in an extremely durable finish for maximum longevity through many trips to the lake.

Other features include radial tires, an outboard motor support, safety winch strap on the heavy-duty winch, swing-away tongue, low-maintenance hubs, safety cables, pivoting tongue jack and more. So, when you're ready to leave home and head to the water, your NITRO boat package is too!

New GALVASHIELD® Impact powder coat finish for improved corrosion and chip protection.

Submersible, angled LED backup lights for long life and improved visibility.

IN OUR DEDICATED TRAILER PLANT IN OZARK, MISSOURI, we custom-build trailers for every NITRO® boat so you know the fit will be perfect. This results in a smooth, solid ride to and from the water year after year.

**COLD-FORMED STEEL
FOR EXTRA STRENGTH**

**GALVANIZED (ZINC COATED)
INSIDE AND OUT**

**CONVERSION COAT FOR
SUPERIOR ADHESION**

**DURABLE POWDER-
COAT FINISH**

3-YEAR WARRANTY PROTECTION

Our exclusive GALVASHIELD trailers, with their baked-on powder-coat finish, offer industry-leading warranty protection (3 years) against failure due to corrosion.

BLACKOUT WHEELS

18" (45.7 cm) custom matte black aluminum alloy wheel upgrade and Hercules RAPTIS® R-T5 tires and spare. 17" chrome wheels also available. Available on Z Series and ZV21 boats. Must order fiberglass fenders.

PROTECTED WITH OUR NEW
GALVASHIELD® IMPACT
 FINISH

**NO TOUCH VORTEX HUBS W/ 6-YEAR,
 100,000-MILE WARRANTY**

All NITRO® trailers come with our No Touch Vortex hub lubrication system, so you no longer need to re-grease or inspect your hubs! These hubs feature a lithium complex fortified with rust and oxidation inhibitors, high-pressure additives and great water resistance. They are also covered by a 6-year or 100,000-mile warranty!

Completely sealed lubrication reservoir permits maximum lubrication.

Easily accessible internal lubrication port fitting.

Threaded cap for twist on/off removal, should the need arise due to an accident.

Internal lubrication channel allows for maximum flushing of the existing lubricant while flushing the system with new lubricant, when the time comes to change grease.

Triple-lip, spring-loaded seal provides improved sealing over single- and double-lip seals.

WE'VE GOT YOU COVERED

Every NITRO® boat is available with a high-quality cover specially made to fit it just right. Ratchet covers with marine-grade materials ensure your cover will protect your boat from the elements for years to come.

PRO SERIES ROPE RATCHET COVERS

We've got you covered with a custom tournament cover. The solution-dyed polyester cover looks sharp and fits your boat and motor like a glove. It includes mildew-block treatment, UV inhibitors and accommodates motors and consoles. Available for all Z and ZV Series boats.

ROPE RATCHET COVERS

NITRO rope ratchet covers are made to perfectly fit the models they are designed for. They are manufactured from marine-grade, water-resistant polyester fabrics. Available for all Z and ZV Series boats

Z19 Sport standard cover and cover for boat with Bimini top are also available.

FINISHED TO PERFECTION

PREMIUM GELCOAT

Beautiful and extremely durable gelcoat layers are hand-applied for a stunning finish that will retain its appeal for a lifetime.

SEAT UPHOLSTERY

Premium UV-resistant vinyl construction with color-matched accents means your NITRO will ride in comfort and style.

NAVIGATION LIGHTS

The 2017 Z Series NITRO® boats feature bow navigation lights integrated into the gunnels, allowing room at the bow panel for an optional flush-mounted fishfinder.

PANEL STYLING

Backlit digital control panels put power functions at your fingertips.

A NITRO LOOKS AS GOOD AS IT PERFORMS.

Throughout the interior of every NITRO, you'll find details that will improve your fishing experience—and look amazing all the way. Carefully-stitched upholstery crafted in our facilities. Illuminated switches and gauges. Custom steering wheels. Embossed seating. Your boat will ride the leading edge of luxurious good looks. In addition to their aggressive performance attributes, top-tier fishing features and rugged construction, NITRO boats also ride the leading edge of style with eye-catching color schemes and a lustrous, extremely durable finish. PLUS they're all customizable to fit your own personality and tastes, visit NITRO.COM to customize yours today.

STANDARD GEAR AND OPTIONS FROM OUR TRUSTED PARTNERS

To ensure that your NITRO® provides industry-leading value and maximum fishability, we pack it full of products from the leaders in the fishing industry.

Mercury® Outboards

We offer a full line of Mercury FourStroke, OptiMax® and Verado® outboards to help power you to the top of the leaderboard.

Minn Kota® Trolling Motors

Minn Kota makes the toughest, most innovative trolling motors on the market—and we make them standard on all NITRO models.

Lowrance® Fishfinders

The first and finest marine electronics manufacturer since 1957, installed on every NITRO boat.

NOCO® Genius Chargers

Standard NOCO waterproof battery chargers keep you powered up and ready to fish in the most demanding tournament conditions.

Interstate® Batteries

Interstate batteries provide reliable starting and worry-free trolling for long days on the water—installed standard on all NITRO boats.

Power-Pole™ Anchors

Rock-solid and fast-deploying Power-Pole shallow-water anchors keep you locked in place in up to 10' of water.

CHAMPIONS AREN'T BORN. **THEY'RE MADE.**

ADDITIONAL OPTIONS

We offer the same options that pros like Kevin VanDam use in their professional tournament careers. From the functional to the aesthetic to the protective, we've got everything you need to join the big leagues.

Comprehensive option availability can be found on pages 116–133 and at NITRO.COM

NITRO® Removable Port Console

Available on all Z Series boats. Easily removable by one person without tools.

Jack Plates

Add speed, stability and fuel economy with hydraulic or manual jack plates.

Minn Kota® Talon™ Anchors

Stay on the fish when you find them with Minn Kota shallow-water anchors.

MotorGuide® Trolling Motors

Powerful and reliable trolling for tournament competition or a weekend at the lake.

Bluetooth®-Capable Stereo

Stream tunes from your phone while you're chasing your next record.

Hot Foot™ Throttle Control

Free up your throttle hand for easier control and better responsiveness.

Humminbird® Fishfinders

A leader in advanced marine electronics. We offer a full range of Humminbird products.

Loc-R-Bar Gear Protection

Provides an extra level of security for your expensive fishing tackle.

Keel Protector

Protect your keel from scratches with a durable keel protector in black or white.

SELECT YOUR **COLOR COMBINATION**

NITRO® gelcoat is hand-applied in multiple layers at precise thicknesses by skilled technicians, and the result is a lustrous, highly durable finish that will dazzle onlookers—and last for a lifetime. Chose from over 30 custom colors to make your boat stand out at the lake. Configurations include popular 3-Color Premium, 4-Color Elite and fully customized colors. Literally hundreds of combinations are possible, and our color selector tool online at NITRO.COM will let you see a preview of what your new boat will look like! (Custom colors not available on the Z19 Sport.)

STANDARD FEATURES

COMFORT, CONVENIENCE & PEACE OF MIND

- NMMA® certified
- Flotation meets or exceeds NMMA® & U.S. Coast Guard requirements
- EPA-compliant fuel system
- Anti-fatigue, padded-comfort bow deck
- Non-skid mats bow & stern
- Remote oil fill (OptiMax® motors only)
- Spare prop holder
- 5 drink holders
- 4 stainless steel pull-up cleats
- Integrated fold-down stainless steel reboarding ladder
- NEW 4 grab handles (1 at passenger, 2 at center seat, 1 at transom)
- Built-in tournament ruler & holder
- Fire extinguisher, horn & paddle

CONSOLE

- Flush-mounted Lowrance® Elite-7 Ti Combo fishfinder w/GPS
- Hydraulic steering w/tilt
- Removable acrylic, tinted windscreen
- Ready to accept optional removable port console
- Custom-molded modular console w/2-tone gelcoat
- Veethree® multi-function instrumentation w/speedometer/fuel gauge, tach/trim gauge, water pressure gauge & oil level indicator
- Digital switch panel w/blue backlight & soft-touch shroud
- Dash light dimmer
- Soft-touch waterproof digital switches
- LED courtesy light
- Below-console RAM® X-Grip® phone holder & 12V outlet

CONSTRUCTION & EXTERIOR

- Deck & hull chemically bonded & mechanically fastened w/stainless steel fasteners
- Gelcoated stringer system
- Foam-filled hull for optimal buoyancy & safety
- Full-width fiberglass-encapsulated composite transom
- Low-profile gunnels to maximize deck size & for easier casting

ELECTRICAL

- E-Start emergency jump start system
- Bow panel w/anchor/light switch, trim switch & room to flush-mount 12" (30.5 cm) graph
- 1,600 GPH (6,057 LPH) automatic bilge pump
- LED console courtesy light
- Bow navigation lights integrated into gunnels w/stowable stern light
- Automatic LED-lighted bow storage
- Automotive-style labeled fuse panel w/cover
- Interstate® cranking battery
- 2 heavy-duty Interstate® Series 29 trolling batteries

- 3-bank, 30-amp onboard battery charger w/exterior receptacle
- 6-gauge trolling motor wiring w/50-amp circuit breaker
- Master power switch
- Ventilation fan system in bow storage
- Waterproof Deutsch plugin gauge connectors
- Water & abrasion-resistant connectors

INTERIOR

- 45-sq.-ft., (4.2-sq.-m) anti-fatigue, padded bow deck for comfort & mobility
- 86-qt. (81 L) insulated cooler, removable trash receptacle & snap-in sandwich tray
- NASCAR®-inspired 3-across seating w/adjustable, sliding helm & passenger bucket seats
- Bike seat w/hydraulic pedestal
- Folding fishing seat w/composite frame & hydraulic pedestal
- Designated net storage behind seating
- Trolling motor pedal recess for Minn Kota® & MotorGuide® trolling motors
- Oversized, lockable port & starboard bow rod lockers w/lift assists for 8' (2.44 m) rods
- Rod organizer in port rod locker
- Molded-in drainage channels around bow storage compartments
- Port & starboard bow rod hold-down straps
- Oversized lockable center bow storage locker w/Tackle Management System
- Center bow magnetic under-lid lure organizer
- 2 large, lockable center bow storage lockers w/lift assists
- Partner rod ramp w/rod handle organizer & rod holder strap
- Port below-console pull-out storage drawer
- 1 lift-out aft port box that will accept four 3700 tackle trays w/propeller storage beneath
- 1 lift-out, molded aft starboard storage box that will accept seven 3700 tackle trays
- Molded utility rigging compartment w/removable storage tray
- 24-oz. (.68 kg) plush, marine-grade cut-pile carpet on deck & floor
- Stainless steel lockable compression latches
- Footrest w/non-skid mat under console(s)
- Insulated aluminum lids w/welded corners

LIVWELL SYSTEMS

- 2 insulated aft 19-gal. (71.92 L) Guardian® livewells w/digital timers
- 750 GPH (2,840 LPH) livewell recirculation/pump-out system
- 500 GPH (1,893 LPH) aerator/fill pump
- Oxygen generator in each livewell
- Dual remote drain controls

PERFORMANCE

- 16° variable deadrise hull
- Rapid Planing System™ for quicker holeshots & maximized speed
- 8" (20.0 cm) adjustable jack plate (Verado® only)
- 12" (30.5 cm) adjustable jack plate (OptiMax® only)
- Rigging tube for organized wiring & abrasion resistance
- Stainless steel propeller

STANDARD FEATURES CONT'D

TRAILER

- Custom-fit, factory-matched, tandem-axle NITRO® trailer w/powder-coat finish & NEW GALVASHIELD® Impact corrosion protection for improved durability
- 14" (35.6 cm) custom aluminum wheels w/radial tires & surge disc brakes on 1 axle
- No Touch Vortex hub lubrication system w/6-yr., 100,000-mile limited warranty
- Spare tire carrier w/matching spare
- All-welded rectangular GALVASHIELD® frame
- Space-saving swing-away tongue to reduce storage length
- 1,600-lb. (726 kg) swing-up locking jack w/swivel wheel

- Heavy-duty winch w/nylon strap, bow safety strap & safety cables
- Integrated winch stand step w/handle for easier boarding at bow while boat is on trailer
- Outboard motor support to reduce hull & transom stress while towing
- Fiberglass fender design w/integrated back-up lights
- Carpeted bunks & fender boards to protect hull
- Submersible LED lights

STANDARD FEATURES

COMFORT, CONVENIENCE & PEACE OF MIND

- NMMA® certified
- Flotation meets or exceeds NMMA® & U.S. Coast Guard requirements
- EPA-compliant fuel system
- Anti-fatigue, padded-comfort bow deck
- Non-skid mats bow & stern
- Spare prop holder
- 5 drink holders
- 4 stainless steel pull-up cleats
- Integrated fold-down stainless steel reboarding ladder
- NEW 4 grab handles (1 at passenger, 2 at center seat, 1 at transom)
- Built-in tournament ruler & holder
- Fire extinguisher, horn & paddle

CONSOLE

- Flush-mounted Lowrance® HOOK-5x fishfinder w/480x480 pixel display, surface temperature & down imaging
- Hydraulic steering w/tilt
- Removable acrylic, tinted windscreen
- Ready to accept optional removable port console
- Custom-molded modular console w/2-tone gelcoat
- Veethree® multi-function instrumentation w/speedometer/fuel gauge, tach/trim gauge, water pressure gauge & oil level indicator
- Digital switch panel w/blue backlight & soft-touch shroud
- Dash light dimmer
- Soft-touch waterproof digital switches
- LED courtesy light
- Below-console 12V outlet

CONSTRUCTION & EXTERIOR

- Deck & hull chemically bonded & mechanically fastened w/stainless steel fasteners
- Gelcoated stringer system
- Foam-filled hull for optimal buoyancy & safety
- Full-width fiberglass-encapsulated composite transom
- Low-profile gunnels to maximize deck size & for easier casting

ELECTRICAL

- E-Start emergency jump start system
- Bow panel w/anchor/light switch, trim switch & room to flush-mount 12" (30.5 cm) graph
- 1,600 GPH (6,057 LPH) bilge pump
- LED console courtesy light
- Bow navigation lights integrated into gunnels w/stowable stern light
- Automatic LED-lighted bow storage
- Automotive-style labeled fuse panel w/cover
- Interstate® cranking battery

- 2 heavy-duty Interstate® Series 29 trolling batteries
- 2-bank, 8-amp battery charger w/exterior receptacle
- 6-gauge trolling motor wiring w/50-amp circuit breaker
- Master power switch
- Ventilation fan system in bow storage
- Waterproof Deutsch plugin gauge connectors
- Water & abrasion-resistant connectors

INTERIOR

- 38-sq.-ft. (3.5-sq.-m) bow deck
- 74-qt. (70 L) insulated cooler, removable trash receptacle & snap-in sandwich tray
- NASCAR®-inspired helm & passenger bucket seats, helm only w/adjustable seat slide
- Bike seat w/pedestal
- Folding fishing seat w/composite frame
- Designated net storage behind seating
- Trolling motor pedal recess for Minn Kota® & MotorGuide® trolling motors
- Oversized, lockable port & starboard bow rod lockers w/lift assists for 8' (2.44 m) rods
- Rod organizer in port rod locker
- Molded-in drainage channels around bow storage compartments
- Port & starboard bow rod hold-down straps
- Oversized lockable center bow storage locker w/Tackle Management System
- Partner rod ramp w/rod handle organizer & rod holder strap
- 1 lift-out aft port box that will accept four 3700 tackle trays w/propeller storage beneath
- 1 lift-out, molded aft starboard storage box that will accept seven 3700 tackle trays
- Molded rigging compartment for easy access to batteries & pumps & easy cleanup
- 24-oz. (.68 kg) plush, marine-grade cut-pile carpet on deck & floor
- Stainless steel lockable compression latches
- Footrest w/non-skid mat under console(s)
- Insulated aluminum lids w/welded corners

LIVWELL SYSTEMS

- 2 insulated aft 19-gal. (71.92 L) Guardian™ livewells w/digital timers
- 750 GPH (2,840 LPH) livewell recirculation/pump-out system
- 500 GPH (1,893 LPH) aerator/fill pump
- Dual remote drain controls

PERFORMANCE

- NITRO® Vortex Technology™ (NVT™) hull for a smoother, drier ride
- Rapid Planing System™ for quicker holeshots & maximized speed
- 8" (20.0 cm) adjustable jack plate (Verado® only)
- 12" (30.5 cm) adjustable jack plate (OptiMax® only)
- Rigging tube for organized wiring & abrasion resistance
- Stainless steel propeller

STANDARD FEATURES CONT'D

TRAILER

- Custom-fit, factory-matched, tandem-axle NITRO® trailer w/powder-coat finish & NEW GALVASHIELD® Impact corrosion protection for improved durability
- Surge disc brakes on 1 axle
- Inside-the-frame brake line system w/1-point bleed
- 14" (35.6 cm) custom aluminum wheels w/radial tires
- No Touch Vortex hub lubrication system w/6-yr., 100,000-mile limited warranty
- Spare tire carrier w/matching spare
- All-welded rectangular GALVASHIELD® frame

- Space-saving swing-away tongue to reduce storage length
- 1,200-lb. (544 kg) swing-up locking jack w/swivel wheel
- Heavy-duty winch w/nylon strap, bow safety strap & safety cables
- Winch stand step w/handle for easier boarding/reboarding at bow while boat is trailered
- Outboard motor support to reduce hull & transom stress while towing
- Carpeted bunks & fender boards to protect hull
- Submersible LED lights

STANDARD FEATURES

COMFORT, CONVENIENCE & PEACE OF MIND

- NMMA® certified
- Flotation meets or exceeds NMMA® & U.S. Coast Guard requirements
- EPA-compliant fuel system
- Non-skid mats bow & stern
- 6 drink holders
- 4 stainless steel pull-up cleats
- Integrated fold-down stainless steel reboarding ladder
- NEW 2 grab handles (1 at passenger, 1 at transom)
- Fire extinguisher, horn & paddle

CONSOLE

- Flush-mounted Lowrance® HOOK-5x fishfinder w/480x480 pixel display, surface temperature & down imaging
- Hydraulic steering w/tilt
- Removable acrylic, tinted windscreen
- Ready to accept optional removable port console
- Custom-molded modular console w/2-tone gelcoat
- Veethree® multi-function instrumentation w/speedometer/fuel gauge, tach/trim gauge, voltmeter gauge & water pressure gauge
- Dash light dimmer
- Water-resistant switch panels
- LED courtesy light
- Below-console 12V outlet

CONSTRUCTION & EXTERIOR

- Deck & hull chemically bonded & mechanically fastened w/stainless steel fasteners
- Gelcoated stringer system
- Foam-filled hull for optimal buoyancy & safety
- Full-width fiberglass-encapsulated composite transom
- Low-profile gunnels to maximize deck size & for easier casting

ELECTRICAL

- Bow panel w/anchor/light switch, trim switch & room to flush mount 12" (30.5 cm) graph
- 1,000 GPH (3,785 LPH) bilge pump
- LED console courtesy light
- Bow navigation lights integrated into gunnels w/stowable stern light
- Automotive-style labeled fuse panel w/cover

- Interstate® cranking battery
- 2 heavy-duty Interstate® Series 29 trolling batteries
- 2-bank, 8-amp battery charger w/exterior receptacle
- 6-gauge trolling motor wiring w/50-amp circuit breaker
- Master power switch
- Waterproof Deutsch plugin gauge connectors
- Water & abrasion-resistant connectors

INTERIOR

- 34-sq.-ft. (3.2-sq.-m) bow deck for casting mobility w/lots of storage
- 62-qt. (58.7 L) insulated cooler & removable trash receptacle
- NASCAR®-inspired helm & passenger bucket seats
- Bike seat w/pedestal
- Folding fishing seat w/composite frame
- Trolling motor pedal recess for Minn Kota® & MotorGuide® trolling motors
- Oversized, lockable port & starboard bow rod lockers w/lift assists for 8' (2.44 m) rods
- Molded-in drainage channels around bow storage compartments
- Port & starboard bow rod hold-down straps
- Oversized lockable center bow storage locker
- Partner rod ramp w/rod handle organizer & rod holder strap
- 2 lift-out, molded aft storage boxes that will each accept seven 3700 tackle trays
- Molded rigging compartment for easy access to batteries & pumps & easy cleanup
- 16-oz. (.45 kg) plush, marine-grade cut-pile carpet on decks & floor
- Lockable compression latches
- Footrest w/non-skid mat under console(s)
- Insulated aluminum lids w/welded corners

LIVWELL SYSTEMS

- Aft 30-gal. (114 L) Guardian™ aerated, divided livewell w/timer
- 500 GPH (1,893 LPH) livewell recirculation/pump-out system
- 500 GPH (1,893 LPH) aerator/fill pump
- Rotomolded w/rounded corners

PERFORMANCE

- NITRO® Vortex Technology™ (NVT™) hull for a smoother, drier ride
- Rapid Planing System™ for quicker holeshots & maximized speed
- Rigging tube for organized wiring & abrasion resistance
- Stainless steel propeller

STANDARD FEATURES CONT'D

TRAILER

- Custom-fit, factory-matched, single-axle NITRO® trailer w/powder-coat finish & NEW GALVASHIELD® Impact corrosion protection for improved durability
- 14" (35.6 cm) chrome wheels w/radial tires
- No Touch Vortex hub lubrication system w/6-yr. 100,000-mile limited warranty
- Spare tire carrier (spare tire avail. at additional cost)
- All-welded rectangular GALVASHIELD® frame
- Space-saving swing-away tongue to reduce storage length

- 1,200-lb. (544 kg) swing-up locking jack w/swivel wheel
- Heavy-duty winch w/nylon strap, bow safety strap & safety cables
- Outboard motor support to reduce hull & transom stress while towing
- Carpeted bunks & fender boards to protect hull
- Submersible lights

- Flotation meets or exceeds NMMA® & U.S. Coast Guard requirements
- EPA-compliant fuel system
- Removable tournament-style ski pylon
- Port & starboard swim platforms w/integrated boarding ladder
- 10 drink holders
- 4 pull-up cleats
- Cockpit grab handles
- Fire extinguisher, horn & paddle

CONSOLE

- Flush-mounted Lowrance® HOOK-5x fishfinder w/480x480 pixel display, surface temperature & down imaging
- Tilt hydraulic steering
- Radiused walk-thru, tempered-glass windshield
- 2 Custom-molded consoles
- Port console w/storage tray & insulated cooler
- AM/FM Bluetooth®-capable stereo w/USB & MP3 ports
- Veethree® multi-function instrumentation gauges
- Water-resistant switch panels

CONSTRUCTION & EXTERIOR

- Deck & hull chemically bonded & mechanically fastened w/stainless steel fasteners
- Gelcoated stringer system
- Foam-filled hull for optimal buoyancy & safety
- Full-width fiberglass-encapsulated composite transom

ELECTRICAL

- 1,000 GPH (3,785 LPH) bilge pump
- Port & starboard cockpit courtesy lighting
- Interstate® starting battery
- Interstate® Series 27 trolling battery
- Heavy-duty 6-gauge trolling motor harness
- Master power switch
- Waterproof Deutsch gauge plugin connectors
- Automotive-style labeled fuse panel w/cover
- Water & abrasion-resistant connectors
- Main & trolling motor harness circuit breaker protection
- Stowable navigation light

INTERIOR

- NASCAR®-inspired helm (swivel & sliding) & passenger (swivel) bucket seats
- Aft bench seating w/2 convertible, removable fishing seats
- 3 bow storage compartments
- Port & starboard bow bolsters
- Forward in-floor rod locker w/organizer
- Midship in-floor wakeboard/ski storage
- 2 aft storage compartments w/drop-in boxes
- Full-width, lockable rod/ski storage in aft deck
- 16-oz. (.45 kg) marine-grade cut-pile carpet w/edging
- Lockable compression latches
- Insulated aluminum lids w/welded corners
- 44-qt. (41.6 L) insulated cooler below aft seat

LIVWELL SYSTEMS

- 16-gal. (61 L) aerated, recirculated aft rotomolded livewell w/rounded corners, pump-out & timer
- 500 GPH (1,893 LPH) aerator/fill pump
- 750 GPH (2,839 LPH) recirculator/pump-out pump

PERFORMANCE

- Stainless steel propeller

STANDARD FEATURES CONT'D

TRAILER

- Custom-fit, factory-matched, single-axle NITRO® trailer w/powder-coat finish & NEW GALVASHIELD® Impact corrosion protection for improved durability
- 14" (35.6 cm) chrome wheels w/radial tires
- No Touch Vortex hub lubrication system w/6-yr., 100,000-mile limited warranty
- Spare tire carrier (spare tire optional)
- All-welded rectangular GALVASHIELD® frame
- Space-saving swing-away tongue to reduce storage length

- Heavy-duty winch w/nylon strap & safety cables
- Outboard motor support to reduce hull & transom stress while towing
- Carpeted bunks & fender boards to protect hull
- Submersible lights
- Nylon tie-down straps (supplied w/boat package)

TROLLING MOTOR

- Minn Kota® PowerDrive™ 12V, 55-lb. thrust, 54" (1.37 m), foot-control trolling motor w/Universal Sonar transducer

STANDARD FEATURES

COMFORT, CONVENIENCE & PEACE OF MIND

- NMMA® certified
- Flotation meets or exceeds NMMA® & U.S. Coast Guard requirements
- EPA-compliant fuel system
- Gunnels designed to maximize interior space & fishing room
- 3 stainless steel drink holders
- 4 stainless steel pull-up cleats
- Stainless steel bow & stern eyes
- Anti-fatigue matting below bow & cockpit carpet
- Emergency boarding ladder
- Passenger grab handle
- Fire extinguisher & horn

CONSOLE

- RAM®-mounted Lowrance® Elite-7 Ti Combo fishfinder w/GPS
- Hydraulic steering w/custom tilt wheel
- Heavy-duty molded, tinted windscreens
- Custom-molded port & starboard modular consoles w/2-tone gelcoat scheme
- Oversized, carpeted, lockable port glovebox
- Below-console footrest w/non-skid mat
- Port & starboard below-console shelves
- Helm below-console recess for optional Hot Foot™ pedal
- Veethree® multi-function instrumentation gauges w/speedometer/fuel gauge, tach/trim gauge, voltmeter gauge & water pressure gauge
- Digital keypads w/integrated master power switch
- Side-mounted LED courtesy light
- Soft-touch waterproof digital switches
- Space to mount additional electronics

CONSTRUCTION & EXTERIOR

- Deck & hull chemically bonded & mechanically fastened
- Gelcoated stringer system
- Foam-filled hull for optimal buoyancy & safety
- Full-width fiberglass-encapsulated composite transom
- Hand-laid, heavy-duty performance hull w/reinforced sides

ELECTRICAL

- E-Start emergency jump start system
- Bow panel w/vent fan, bilge, navigation light, anchor light & trim switches
- Redundant automatic bilge pump system w/dual 1,600 GPH (6,057 LPH) pumps
- Stowable navigation lights
- Heavy-duty Interstate® 27M-XHD starting battery

- 3 heavy-duty Interstate® Series SRM-29 trolling batteries
- 4-bank, 35-amp onboard battery charger w/exterior receptacle
- Automotive-style, labeled fuse panel w/cover
- Manual LED lighting in bow storage compartments
- Master power switch
- 6-gauge trolling motor wiring w/50-amp circuit breaker
- Ventilation fan system in bow storage
- Console-mounted 12V outlet
- Waterproof Deutsch gauge plugin connectors
- Water & abrasion-resistant connectors

INTERIOR

- NASCAR®-inspired helm & passenger bucket seats
- Bike seat w/hydraulic pedestal
- Folding molded fishing seat w/hydraulic pedestal
- Bow & aft lockable storage compartments
- Port & starboard bow lockers w/lift assists
- 3-level center rod locker w/organizers for 8' (2.44 m) rods
- Passenger rod ramp w/rod handle organizer & hold-down strap
- Port & starboard midship insulated storage boxes designed to accept tackle trays
- Between-console foldout storage drawer w/two 3600 tackle boxes
- Starboard tool holder
- 2 lift-out, molded aft storage boxes that will each accept seven 3700 tackle trays
- Extra-large integrated port net holder
- Port bow cooler w/removable tray
- 24-oz. (.68 kg) plush, marine-grade, cut-pile carpet on decks & floor
- Insulated aluminum lids w/welded corners
- Room to RAM®-mount additional electronics at bow
- Stainless steel fore & aft rails (port & starboard)
- Stainless steel lockable compression latches

LIVELWELL SYSTEMS

- 5.5-gal. (21 L) insulated bow baitwell w/removable bucket
- Aft 26-gal. (98 L) insulated Guardian™ anti-slosh rotomolded livewell w/rounded corners, removable divider & bait bucket
- Two 500 GPH (1,892 LPH) aerator/fill pumps w/timers (1 for baitwell, 1 for livewell)
- Two 750 GPH (2,839 LPH) recirculator pumps w/timers (1 for baitwell, 1 for livewell)
- Pump-out systems (baitwell & livewell)
- Oxygen generators (baitwell & livewell)
- Livewell lid latching to keep lid closed at speed & in rough conditions
- Insulated aluminum lids w/welded corners

STANDARD FEATURES CONT'D

PERFORMANCE

- Deep V performance hull w/Rapid Planing System™ transom
- 3" (7.6 cm) adjustable jack plate (Verado® motors only)
- 10" (25.4 cm) adjustable jack plate (OptiMax® motor only)
- Lifting strakes to maximize overall handling & performance
- Transom designed for Kicker motor application
- Rigging tube
- Stainless steel propeller

TRAILER

- Custom-fit, factory-matched, tandem-axle NITRO® trailer w/powder-coat finish & NEW GALVASHIELD® Impact corrosion protection for improved durability
- Surge disc brakes on 2 axles
- Inside-the-frame brake line system w/1-point bleed
- 14" (35.6 cm) custom NITRO® aluminum wheels w/radial tires

- No Touch Vortex hub lubrication system w/6-yr. 100,000-mile limited warranty
- Spare tire carrier w/matching spare tire
- All-welded rectangular GALVASHIELD® frame
- Space-saving swing-away tongue to reduce storage length
- 1,600-lb. (726 kg) swing-up locking jack w/swivel wheel
- Heavy-duty winch w/non-binding nylon strap & safety cables
- Outboard motor support to reduce hull & transom stress while towing
- Fiberglass fender design w/integrated, submersible LED back-up lights
- Carpeted bunks & fender boards to protect hull
- Submersible lights

TROLLING MOTOR

- Pedal recess that will accommodate Minn Kota® or MotorGuide® trolling motor pedal

A man with a beard, wearing a light blue long-sleeve shirt with "HUK" and "HUK FISHING" logos, a grey and white cap, and sunglasses, is leaning over the side of a white Nitro boat. The boat has "NITRO" written on its side. The background shows a lush green forest and a body of water under a clear sky.

ARE YOU READY FOR THE
BIG TIME?

The greats like Kevin VanDam, Edwin Evers, Rick Clunn and Ott DeFoe started out just like you—standing on the bank of a pond with a spincast reel. But as they matured into the world's best anglers, they learned what tools are needed to vanquish the competition. We at NITRO® are here to give you those tools and help you achieve your dreams.

There's no time like the present. Right now, there are tournaments to be won, trophies to be hoisted, and winnings to be claimed—all out there, waiting for someone to rise to become a champion. Will that someone be you?

THREE CONVENIENT WAYS TO SHOP

IN PERSON

With 80 Bass Pro Shops and over 200 dealers worldwide, there's sure to be a location nearby where you can see a NITRO up close and have all your questions answered by an expert.

ONLINE

Visit the newly redesigned [NITRO.COM](https://www.nitro.com) to browse our complete lineup, watch videos, compare features and pricing and locate the dealer nearest you. You can even customize, price and order your boat, all from the comfort of your home.

BY PHONE

Call us at 855.630.2711 to speak to one of our knowledgeable representatives.
