PERFORMANCE FISHING BOATS

2020 MODEL YEAR
NITRO.COM

RELEASE THE CHAMPION WITHIN

Inside every angler is a champion waiting to emerge. To set them free, you'll need a precision fishing tool with the power, performance and reliability to stand up to the rigors of tournament competition—and to do it reliably every time, whether you're simply fishing the lake with a buddy on a peaceful weekend or battling a legion of other anglers with their eyes on the same trophy. Either way, there's a NITRO® that will take you there. An unwavering attention to technical detail and a relentless pursuit of quality allows us to deliver championship boats to the finest anglers on the planet—and these same boats can belong to you. Each one is a high performance machine that gives their owner the upper hand. They are powerful syntheses of man and machine that push the boundaries of technical innovation. Because the champion inside you yearns to emerge—whether that's mounting the stage and hoisting a trophy or just being the champion your family deserves.

NITRO
PERFORMANCE FISHING BOATS

TAKE CONTROL & BE THE LEADER

Z21

The NITRO® Z21 is designed with input from our leading pros, who between them hold one REDCREST championship, 11 Bassmaster Classic® titles and dozens of other first place finishes. It features an all-new 5" (12.7 cm) touchscreen switch panel w/one-touch boat controls—including the First Fish function, which fills and recirculates the livewell with one touch so you can get right back to fishing. Plus, the NITRO VORTEX TECHNOLOGY™ (NVT™) hull provides a smooth, dry ride with optimal performance, and ample storage holds dozens of rods and tons of tackle.

"I've been relying on NITRO for 30 years, and they've taken me to the top of the professional fishing world. Try one out—they can't be beat for performance, reliability and fishability."

MAXIMIZE THE ADRENALINE

Z20

The NITRO® Z20 is a top-seller because its performance compares favorably with the Z21 while being more compact for probing docks and shallower water. The basis of the Z20 is the NVT™ hull—a design that uses a series of parabolic curves for quicker holeshots, more lift while on plane and improved handling. The Z20 is optimized for tournament angling, with massive rod capacity in the two 8' (2.44 m) bow rod lockers and an enormous center tackle storage compartment with NITRO-exclusive TACKLE MANAGEMENT SYSTEM™.

"My NITRO made winning the REDCREST Championship look easy—the reliability, performance and storage layout are second to none."

PUT THE PEDAL TO THE WATER

THE OFFICIAL BOAT OF

WORLD CHAMPIONSHIP

Z19

At 19' 4" (5.89 m) and with 200HP standard, the NITRO® Z19 is fast enough for the most demanding tournament anglers and nimble enough to get into places where bigger, heavier boats can't. This is thanks in part to our exclusive NITRO VORTEX TECHNOLOGY™ (NVT™) hull, which improves holeshot, acceleration and overall performance. The Z-CORE™ seating system with Force Flex suspension provides industry-leading comfort, and it's factory-rigged with a Mercury® outboard, Minn Kota® trolling motor, Lowrance® fishfinder and a custom-matched trailer.

"The NITRO Z19 fits that 200-horse sweet spot just right—it's a very fast, extremely fishable boat that can take you right to the top of the leaderboard."

AMERICA'S FAVORITE FIBERGLASS BASS BOAT

THE OFFICIAL BOAT OF

Z18

The NITRO® Z18 is America's best-selling fiberglass bass boat because it balances power and fishability in a ready-to-win package. It's built around our revolutionary NVT™ hull with RAPID PLANING SYSTEM™, giving you a smooth, soft and dry ride along with a brisk holeshot and precision handling. The massive bow deck is laid out with one purpose—catching fish. With a 24-volt Minn Kota® trolling motor standard and our ultra-comfortable Z-CORE™ driver, passenger and fishing seats, it really is a bass boat for everyone.

"The Z18 is the most popular fiberglass bass boat in America because it provides the perfect balance of fishability, performance and ease of ownership."

BUILT FOR BIG WATER

ZV21

Built to give you the tools to compete in Great Lakes conditions, the ZV21 can do just about anything. New for 2020, it features a 5" (12.7 cm) touchscreen with one-touch command of boat controls—including the innovative First Fish function, which fills and recirculates the livewell with one touch. A handy key fob controls many of the same functions. And for the sprint back to shore, you'll be powered by up to 400 horses leading the charge. So when it comes to the biggest, baddest walleye lakes of the north, choose the ZV21.

"The ZV21 blows the competition out of the water when you consider everything—performance, fishability, safety and value. It's kept me at the top of my walleye game for years."

MULTI-SPECIES SPECIALIST

ALL-NEW FOR 2020

ZV20

The NITRO® ZV20 is a formidable 300-horsepower-class Deep V fishing machine with the brute strength and fishability you need to conquer big water. New for 2020, it features 5" (12.7 cm) touchscreen command of boat controls—including the innovative new First Fish function, which fills and recirculates the livewell with one touch. A handy key fob controls many of the same functions. Built with crucial input from our walleye pros, the ZV20 is designed to find and catch walleye, but it pulls in some great family features as well.

"The new NITRO ZV20 checks all the boxes for a tournament walleye angler like me—plus adds some special features for the whole family."

ALL-WATER VERSATILITY

ZV19

The NITRO® ZV19 is a hardcore, overbuilt fishing machine with a maximum 225HP capacity, created with input from the world's top walleye anglers. The deep, comfortable interior keeps fearless anglers secure in rough weather and families safe when cruising. The aggressive Deep V hull slices through the chop on big lakes with smooth agility, and its wide beam provides plenty of stability for six anglers to move around the deck with confidence. It sports a list of fishing features that will please the pike, muskie, bass or walleye angler.

The ZV19 is the big-water beast we've been waiting for—it's an ideal boat for diehard northern anglers and families, too!

CUSTOM-MATCHED TRAILERS

UNMATCHED QUALITY OF CONSTRUCTION

Every NITRO® trailer is built from heavy-duty steel tubing protected with our exclusive GALVASHIELD® Impact corrosion and chip protection—a thick, baked on powder coat finish that shields your trailer from the road and the water. This results in an extremely durable finish for maximum longevity through many trips to the lake, covered by the industry-leading warranty protection (3 years) against failure due to corrosion.

Other features include radial tires, an outboard motor support, safety winch strap on the heavy-duty winch, swing-away tongue, low-maintenance hubs, safety cables, pivoting tongue jack and more. So, when you're ready to leave home and head to the water, your NITRO boat package is too!

GALVASHIELD Impact powder-coat finish for improved corrosion & chip protection

Submersible, angled LED backup lights for long life & improved visibility

CUSTOM WHEELS

Select models are available with 18" (45.72 cm) custom matte Black aluminum alloy or Silver wheel upgrade with Hercules RAPTIS® R-T5 tires. Fiberglass fenders are required for wheel upgrades.

NO TOUCH VORTEX HUBS W/ 6-YEAR, 100,000-MILE WARRANTY

All NITRO® trailers come with our No Touch Vortex hub lubrication system, so you no longer need to re-grease or inspect your hubs! These hubs feature a lithium complex fortified with rust and oxidation inhibitors, high-pressure additives and great water resistance. They are also covered by a 100,000-mile or 6-year warranty!

Completely sealed lubrication reservoir permits maximum lubrication

Easily accessible internal lubrication port fitting

Threaded cap for twist on/off removal, should the need arise due to an accident

Internal lubrication channel allows for maximum flushing of the existing lubricant while flushing the system with new lubricant, when the time comes to change grease

Triple-lip, spring-loaded seal provides improved sealing over single- & double-lip seals

SELECT YOUR COLOR COMBINATION

NITRO® gelcoat is hand-applied in multiple layers at precise thicknesses by skilled technicians, and the result is a lustrous, highly durable finish that will dazzle onlookers—and last for a lifetime. Chose from a large range of custom colors to make your boat stand out at the lake. Configurations include popular Premium 3-Color, Elite 4-Color and fully customized colors. Literally hundreds of combinations are possible, and our color selector tool online at NITRO.COM will let you see a preview of what your new boat will look like!

In addition to using only the best processes to craft boats that will take you through some of the harshest conditions, we also back every model with one of the best factory warranties in the industry. Each boat comes with our transferable warranty that covers the hull, interior stringers and transom for the life of the boat. And they all come with a limited one-year warranty on factory installed components.

THE RELENTLESS PURSUIT OF **EXCELLENCE**

At NITRO® Boats, our job is to build precision fishing machines that can make your fishing dreams into reality. We do so knowing that your boat is the most important tool in your angling arsenal. And we do so with the same passion you have—a love of the outdoors, of tradition, of family and of that feisty green fish on the end of your line. Because inside anyone that has ever fought and landed one resides a champion—this is why we design every NITRO boat to help you release the champion within.

We're constantly adding content online like fishing tips, outdoor events, amazing photos, special deals and more — and we invite you to share your memories with us on any of the social media channels below.
